SONG LYRICS

[VERSE 1]

Well I woke up this morning, alone in bed.
Wanting to hold onto you, but holding onto my pride instead.
Like I did this morning.
Well I woke up this morning, wishing it was just a dream.
Then I started searching, but all I found was me.
This morning.
So I walked outside, to see if it was really true.
Then I saw the crow fly, and I knew we were through.
This morning.

[CHORUS]

Can't you say you want me?
Can't you say you missed me,
Like I missed you, this morning.
Can't you say you want me?
Can't you say you missed me,
Like I missed you, this morning.

[VERSE 2]

So I'm sitting at my desk at work.
Hoping that the phone will ring,
And when it does I answer oh so fast,
But it's just another business thing.
Like it is every morning.
So I'm passing people in the hall.
I guess they can see the look on my face.
Then someone says, "Good God, man! You'd better go home and restart your day, like you do every morning."

[CHORUS]

Can't you say you want me?
Can't you say you missed me,
Like I missed you, this morning.
Can't you say you want me?
Can't you say you missed me,
Like I missed you, this morning.

[BRIDGE]

I want to tell you, I'm so sorry.
I want to tell you, I was wrong.
So come on home,
This morning.

[VERSE 3]

So listen to me boys and girls.
'Cause maybe you're just like me.
Too concerned with not being wrong and not concerned enough about being happy in the morning.
So the next time you see your baby,
Tell her you're glad she stayed.
Make her understand that no matter how long it takes,
You're going to find a way to be together in the morning.

[CHORUS]

Can't you say you want me?
Can't you say you missed me,
Like I missed you, this morning.
Can't you say you want me?
Can't you say you missed me,
Like I missed you, this morning.

[BRIDGE]

I want to tell you, I'm so sorry.
I want to tell you, I was wrong.
So come on home, this morning.
