SONG LYRICS

Serene and calm, that's the way you make me feel,
In the middle of the night, as we sleep.
Serene and calm, that's the way you make me feel,
In the middle of the night, as we sleep.

I don't want us to be mad at each other.
'Cause we're so good together.

Serene and calm, like the wind crossing the sea,
In the middle of the night, as we sleep.

No we won't stay mad at each other.
'Cause we're so good together.

Safe and warm, hand-in-hand.
Just a woman and her man.
Just a woman and her man.

Serene and calm, just like an old-fashioned breeze,
In the middle of the night, as we sleep.

No, we can't stay mad at each other.
'Cause we belong together.

Safe and warm, hand-in-hand.
Just a woman and her man.
Just a woman and her man.

Serene and calm, that's the way it's got to be,
In the middle of the night, as we sleep.

Serene and calm, that's the way you make me feel,
In the middle of the night, as we sleep.

Serene and calm.
