### SONG LYRICS

And when you're walking next me,  
You take my heart away, so far away.

And when you're lying by my side,  
You take my breath away, so far away.

And if you feel that you might fall,  
You can count on me, through it all.  
You take my breath away, so far away.

And when you gently take my hand,  
You take the pain away, so far away.

And if you feel that you might fall,  
You can count on me, through it all.  
You take my breath away, so far away.

As I walk, through this world I seem to find,  
That all I want, is some peace of mind.

But if you feel that you might fall,  
You can count on me, through it all.  
You take my breath away, so far away.

And if you feel you've reached the end,  
I'll bring you back again, again, again, and again.

And if I feel that I might fall,  
I'll can count on you, through it all.  
It's going to be a brighter day,  
The clouds have moved away,

From me and you.
